The precedents of EPSEVG date back to 1901, as "Escola d'Arts i Oficis" (School of Arts and Crafts). The DAC began teaching at the EPSEVG in the 1993-94 academic year.

The DAC lecturers in the official programs taught at EPSEVG [1]. The DAC is responsible for the following subjects:

- Computer Architecture (I)
- Computer Architecture (T)
- Computer Structure I
- Introduction to Computers
- Introduction to Operating Systems
- Real-Time Information Systems
- Telematic networks
